
Poker night tonight!

Posted by glenn - 2008/05/09 18:00

Not sure why all you p90x and others arent just doing general chit chat too but ok, here is what I am doing tonight.

I am off for my once a month neighborhood poker night. 6 or so hours of texas hold em. Wish me luck!

So how did you make out at poker?

I don't really play that game as I don't know how to play it yet. hehe
