
Hello from California ~Carinna~

Hi Everyone,

I've been reading up on the threads and I must say I'm impressed at the demographics in this forum. I'm hoping for a breath of fresh air, and also to expand my horizons as to how people all over get help for uhm, ehem..weight loss.

BTW, my name is Carinna, me and my boyfriend are aiming to be head turners when we visit the mall. Hahahaha! :D

Here's hoping to be a productive member of your forum. God bless!

Cheers!

Carinna
